

European Profiles S.A. is one of the leading Management Consultancy companies in Greece, serving the public and private sector by offering high-quality multidisciplinary expertise.

We partner with clients in Greece and all over the Globe to deliver customised solutions that resolve their most significant issues and create lasting competitive advantage.

The competences of our consultants have been built over the years around an alliance between experts in local environments and experts in specialised- topic areas.

Our objective is not to simply find solutions, but to build performance with sustainable impact.
