

European Profiles SA is committed to professional excellence in all aspects of its business and recruitment. European Profiles is constantly seeking experts to take on specific jobs in projects in different countries. Having your CV in our database may give you the chance to participate in interesting project assignments that may range from few days to years.

We advise you to check our current job opportunities by **clicking on the following International Consulting Opportunities, which we have categorised in Long-Term Technical Assistance Project Opportunities and in Short Term Framework Contract Project Opportunities, depending on your availability.**

If you think you satisfy the specific position requirements you are interested in, please send us your application before the deadline mentioned in the announcement.
